TVAC40620

BNC coupling

The BNC coupling is connected with a video cable (RG58 / RG59) and provides a high–quality transition between two BNC cables.

Product highlights:

- BNC–coupling for video cable
- High–quality material
- 75 ohm

TVAC40620

BNC coupling

Technical Data	
Type	BNC coupling
Type of connector	BNC – BNC
Type of contact	BNC (female) – BNC (female)
Inner conductor	gold–plated
Impedance	75 ohm
Type of material	galvanized
